

MTI Educational Foundation Scholarship Criteria

General Information and Eligibility

The MTI Educational Foundation Scholarship Program is open to students who are interested in a career in metallurgy, materials, engineering, industrial, mechanical sciences. Applicants must be currently enrolled, or recently accepted, as a full or part-time student in a nationally accredited program in the metallurgy, materials, engineering, industrial or mechanical sciences fields. Annual scholarships are awarded directly to the students.

Scholarships are awarded in August of each year, and paid in one installment. The scholarship will be awarded to students by the end of August of the year awarded.

The deadline for all scholarship applications is July 31, 2018 at 5:00 pm ET. The scholarship level available is as follows:

Technical School/Associate Degree/Undergraduate Degree

Students are eligible for one of five scholarships: (4) \$5,000 scholarships and (1) \$15,000 scholarship award called The Founders Scholarship in honor of the founding leaders of the MTI Educational Foundation, Doug Peters from Peters Heat Treating and Norm Graves from National Metal Processing. The Founders Scholarship will be awarded to the applicant who, in the minds of the Foundation Board, represent qualifications that exceed all other applicants.

The scholarship is renewable for one additional year, for a maximum of two (2). Scholarship renewal is not automatic, applicants **MUST** submit a full and timely application in order to be considered for a second scholarship.

Evaluation Criteria

- Grade Point Average – must be 3.0 or higher
- Internship, Co-op, Work, Community, Volunteer and Other Extracurricular Activities
- Letters of Recommendation
- Honors, Awards and Other Recognitions of the Student's Work and Leadership Skills
- Personal Statement Regarding Proposed Program and Study, Career Goals, & Financial Need

MTI Educational Foundation Scholarship Guidelines 2018

Reporting Requirements

The scholarship year runs from September 1 to August 31. All recipients are required to submit a mid-year progress report twice a year by January 31 and July 31. The MTI Educational Foundation will provide each scholarship recipient an online reporting form to provide their educational progress.

Extension of Time and Failure to Comply

A written request for extension of reporting deadlines, with no additional funding, must detail the reasons for the request and be received by the Foundation 30 days prior to the expiration of the scholarship term. Failure of the scholarship recipient to comply with the policies governing this scholarship may be grounds denial of any future consideration by the Foundation for any of its programs and/or job placement referrals upon graduation.

To be considered for an MTI Educational Foundation Scholarship, go to HeatTreat.net and click on Educational Foundation under Industry Links.
