

What do BMI Clients say?

"When we look for 'leadership' candidates, this is the place to look." - GE Supply Logistics

*"Out of eight interviews, we are initially moving forward and conducting follow-up interviews with six candidates. **Candidate quality far exceeded expectations at this point.**"* - Coca-Cola Enterprises

*"In the last 24 months we have hired four former JMOs or senior NCOs, two have been promoted, one was awarded a position on dayshift, and one has been selected for a senior leadership development program. The leadership and decision making ability sets these people apart. They don't over-react when things go wrong, and in a crisis they always step forward to make a difference. **No company should go totally military, but every company should have these types of leaders within their talent pool.**"* - Dial Corporation

"I would definitely recommend this service to anyone looking to hire accomplished, smart, ambitious, hardworking people." - GE Healthcare

*"Hats off to Bradley-Morris! Great job finding us just the right candidates! **We will definitely be repeat customers!**"* - Tennessee Valley Authority

*"Our BMI Account Representative and his team took care of everything for us and **made the interviewing process very efficient and pleasurable.** Most importantly, we identified strong candidates that we are pursuing for full-time positions." - Roche*

"Candidate quality is spectacular." - Con-way

"We have had such great experiences with the candidates we have hired from Bradley-Morris. The people we have hired have been solid performers and gotten along well within our company. Thank you for all your help." - ComSonics

*"Our Bradley-Morris Account Representative is knowledgeable about the hiring process, **willing to go the extra mile for clients,** and is very supportive of applicants."* - Westinghouse
